Directions

1. Add milk to saucepan and bring to a simmer, then add the macaroni. Cover with lid and return mixture to a simmer over medium heat stirring occasionally.
2. Once pasta and milk are simmering, stir frequently until pasta is tender, about 10 minutes. If mixture is too thick, stir in additional milk.
3. Stir in seasonings and remove pan from heat.
4. Stir in cheese until melted and fully combined with pasta.
5. Toss in cooked veggies and serve immediately.
